

Dear Member,

Following the general relaxation in the coronavirus lockdown, the Committee have decided to reopen the shop and equipment store from next Sunday, 5<sup>th</sup> July. We want to ensure the continuing safety of all of our members, so there will be some new rules to follow:

1. Please do not come in to the container. A Committee member will fetch your requirements out to you.
2. Payment should still be made by Bank Transfer. Cash will only be accepted if absolutely necessary.
3. We will continue to provide the "mail order" service.
4. If you are using group equipment, you MUST wear gloves. We will be providing disposable gloves if you do not have any.
5. All equipment MUST be sprayed with disinfectant before and after use.
6. Use of group equipment is at your own risk.
7. We will be reopening the toilets. All surfaces MUST be sprayed with disinfectant before and after use. Please put used paper towels in the bin, not in the toilet.
8. Please remember to maintain physical distancing. Keep to the 2 metre rule and wash your hands frequently. Your health is your responsibility. It also your responsibility to ensure that you do not pass any infection on to other members

The equipment store may be open at other times if a committee member is on site and these rules will apply.

We will be having a Work Morning on the following Sunday, 12<sup>th</sup> July. As we have not been able to use the equipment, there is a lot of grass needs cutting and weeds strimming.

On another note, we will not be holding the Summer Barbecue this year.

An updated shop price list is attached.

Kind regards

NRPG Committee
